

Gifford Max Egnor

July 8, 1938 - December 20, 2024

After a long battle of Dementia, 86 year-old Max Egnor was lifted peacefully on Angel wings to Heaven, where he joined his wife of 53 years, Norma Gordon. He met and married Norma while he was in the Air Force, stationed in Scotland. Norma passed away in 2013.

Max was a much-loved resident of the Memory Care Unit of Inlet Coastal Resort in South Carolina where he was taken care of for three years. The staff lovingly called him Mr. Max.

He is survived by his two daughters, Kim Sovine of Morgantown, WV, Meg Murad of Murrells Inlet, SC, grandson Ian Sovine of Baltimore, sisters Patsy Adkins of Germantown, WI, Jackie Cantley of Oxford, NC, Karen Qualls of Menifee, CA and half-sister Jean K. Garretson Baire of Foster, WV.

Also anxiously waiting his arrival in Heaven were his Mother and Father, Pearl and Gifford Egnor, brothers Dwaine and Buddy, sisters Nadine Blansett and Judy Kelford.

For several years, Max owned, operated, and then retired from B. Stanley Gill of South Charleston, WV, selling office machines and furniture.

He attended many of the yearly W.D.H.S. reunions, including his 50th, along

with many friends from school, and from the area in which he was raised.

He was an avid golfer. He enjoyed the game so much, and it was a way of keeping up with friends who loved to play, also. He played every chance he could, until his bad health prevented him from playing.

His legacy of love and kindness will be forever cherished in our memories of him.

Although joining so many loved ones in Heaven, he was such a loving part of the Egnor clan, and thus will be greatly missed by those he left behind.

“ *Meg I am so sorry for your loss...Alzheimer's is such a wicked thief, but one thing it cannot take is our memories of our loved ones. I know he has been your partner in crime for quite some time. Someday we will swap Sleepy Hollow stories of our parents. Love ya much*
