“ To Jamie , Gina's kids , grandkids and other family member's, I'm so sorry to hear of Gina's passing. The last time I spoke with her I ask her to please just keeping fighting and don't give up and prayed the doctors were wrong. But she told me she was tired and God knew that too. So, I'm thankful that she's resting now and is in no more pain and shes not struggling to breath. She's free now, with brand new lungs and watching over each one of you. I know she loved her family. God bless you all and you'll be in my prayers. Suzi (Todd)

“ Gina was a kindred spirit full of life and laughter! She always gave to others as they had need. She befriended the mother of my 1st born when she, herself was carrying Zach. My daughter Shania came only a couple months later. When I was going through hardwired, Gina was quick to step-in and comfort me with love and laughter! She will be missed! Rest in peace in paradise dear friend! Shang
