“ To The Family of Gladys Evenlyn Jones I would like to express my deepest sympathy to each of you. Although we are not acquainted with one another, we are acquainted with the pain when our loved ones fall asleep in death. Jesus taught us to pray for God's Kingdom to come here upon the earth as it is in the heavens. The fact that the the heavens is peaceful, no sickness, death, etc. is surely a place where we would like to be. So when we pray for these conditions to come on the earth, we are asking God to restore the earth back to its original condition when he created the first Man and Woman. That Kingdom will be a reality here on the earth. The Scriptures promises that the day is soon to come in which death will be no more and that Almighty God Jehovah will wipe away the tears of sorrow from our eyes forever. He promises too that your loved ones, my loved ones and many others will hear his voice and come out of the memorial tombs graves to live in heaven-like conditions right here on the earth.##imported-begin##Annette Pegues##imported-end##

“ *To My Dearest Family: Some things I'd like to say but first of all to let you know that I arrived okay I'm writing this from Heaven where I dwell with God above where there's no more tears or sadness there is just eternal love Please do not be unhappy just because I'm out of sight remember that I'm with you every morning, noon and night That day I had to leave you when my life on Earth was through God picked me up and hugged me and He said I welcome you It's good to have you back again you were missed while you were gone as for your dearest family they'll be here later on I need you here so badly as part of My big plan there's so much that we have to do to help our mortal man Then God gave me a list of things He wished for me to do and foremost on that list of mine is to watch and care for you And I will be beside you every day and week and year and when you're sad I'm standing there to wipe away the tear And when you lie in bed at night the days chores put to flight God and I are closest to you in the middle of the night When you think of my life on Earth and all those loving years because you're only human they are bound to bring you tears But do not be afraid to cry it does relieve the pain remember there would be no flowers unless there was some rain I wish that I could tell you of all that God has planned but if I were to tell you you wouldn't understand But one thing is for certain though my life on Earth is o're I am closer to you now than I ever was before And to my very many friends trust God knows what is best I'm still not far away from you I'm just beyond the crest There are rocky roads ahead of you and many hills to climb but together we can do it taking one day at a time It was always my philosophy and I'd like it for you too that as you give unto the World so the World will give to you If you can help somebody who is in sorrow or in pain then you can say to God at night my day was not in vain And now I am contented that my life it was worthwhile knowing as I passed along the way I made somebody smile So if you meet somebody who is down and feeling low just lend a hand to pick him up as on your way you go When you are walking down the street and you've got me on your mind I'm walking in your footsteps only half a step behind And when you feel the gentle breeze or the wind upon your face that's me giving you a great big hug or just a soft*

embrace And when it's time for you to go from that body to be free remember you're not going you are coming here to me And I will always love you from that land way up above Will be in touch again soon P.S. God sends His Love --Author Unknown##imported-begin##Diana Johnson Saults##imported-end##
