“ Many can learn what it means to be a child of GOD just by looking at the life that Mr.FLEMING LIVED. Some would think that because you attended church every sunday and that you were quote to quote good toward your fellowman that made you all right with GOD, but God demanded something more, you had to have a genuine love for people and that mean noy only in your comfort zone but alall mankind every where, and that made mr. Fleming that special man. "Love covers a multitude of sin." We all should pattern our life after Mr. Fleming. What a great loss to the horry county community. Much love and respect always.
