“ Glenn will be missed by the entire family. I remember the phone calls he and Dad shared over the years and the conversations between the two. We will miss him and his outlook on life. It is hard to believe that Jean and Ronnie are the only ones left. I remember when we would all get together at Mamaw's and all the fun we had. Mamaw always said she could open a used car lot. We have a large family that seems to be getting smaller each year. Remember that we love you and you are in our thoughts and prayers even if we cannot be there in person. Love and God Bless.##imported-begin##Martha Woody##imported-end##

“ Glenn was a remarkable person and a great cousin. Growing up with him and his sister Betty was great fun. We made our own entertainment, climbing trees, exploring the hills and just wondering the lakeshore around us. I know he will be greatly missed.##imported-begin##Sandra Vance Hamlett##imported-end##
