“ Daphne and family, our prayers are with you during this difficult time. May God continue to give you a peace that passes all understanding and strength for each moment as you face this unexpected reality. May the memories you shared bring you comfort and knowing she is with the Lord, enjoying His presence. She was a special Lady and It was an honor to have known her. I will miss her calls to the office and the packages she would send you, She was always so sweet and so in love with a Jesus! Heaven is now blessed to have her.
