“ I am one of the fortunate women whose life was enhanced and made brighter every morning knowing i would be working along side of Gloria that day. She ALWAYS put other people first. Gloria was continually on the look out for signs in coworkers and definitely patients that appeared to need caring words, a loving squeeze of the hand or an outright hug.

Often she would come in early loaded with an entire homemade lunch for volunteer nurses, doctors, pharmacists, clerical volunteers and coworkers. If not that, then we entered the clinic to the smell of warm donuts!

For me Gloria was the most caring, giving woman who has ever crossed my path. It was a privilege bestowed on me to work with her.

*Precious memories I will always have for the friendship, love, and laughter we shared. Gloria was loving and giving in all she did and to all she met. Prayers for strength and comfort for Richard. She was the Christian, daughter, wife, friend we all should strive to be. She was a "daddy's girl" and I am finding comfort knowing she is hugging Ford. Love u my friend.*
