“ Sorry for your loss Garrity family. I ran track and cross country with Gordon a couple years at Homer. (I wasn't any good, but Gordon was.) That was a long time ago but I still remember him as a great guy. He gave me advice to help me improve my running. Appreciated that.

“ *Pauline and family...We are saddened to hear that Gordie has passed. Otto worked with him for many years. They kept in touch after retirement. Our visit to Myrtle Beach was so enjoyable because of Gordie looking out for us even though he had been sick. You were all very kind to show us around. It was a very fond memory.*
