“ Wayne, I hope you will remember me, Sheila Neely, BUT at the time we were on webtv I was Sheila Cannon. I was SC_Nanna on webtv when I met you and Grace on there in South Carolina group. I so enjoyed the vegetables that you and Grace always sent me and still have and use the spice rack yall sent me and I think of yall often. I was going through some NASCAR history on the internet and thought about the video yall sent me to watch. I put your name in search and saw that Grace is now with her Lord, how shocked I was to see it. From knowing the two of you on WebTV, I know what a wonderful soul she had and I am sad that she is no longer here, but happy that she is where we all want to be. I thought the world of you two. I do hope you get this message and remember me. My email is ShelynMN@att.net if you or a family member want to get in touch. Your family is in my prayers.

Grace was not only my co-worker, but also like a mother to me. She was always professional and the best mentor that anyone could ask for. Many great memories that will live with me until we meet again.

“ Grace was my perfect "straight man". At work we would have "serious" discussions until one of us would make the other one laugh. Like two kids giggling in church we wouldn't be able to stop....eventually we would have to close her door so we She adored Wayne and her family and kept their photos and mementos at her desk. Grace was a wonderful, kind lady who I loved very much and will miss everyday.

To me Grace was the epitome of a southern lady. Very proper yet still able to cut loose. I worked for her and learned from her things I will carry in my mind for always. I will miss her.
