“ Grace, you were the older sister I never had and a forever friend and you also happened to a cousin. You have always been in my life and I will be lost without you and I will mourn the loss of you for me, but I will rejoice for you. You have traveled the last mile and now you are home. No more troubles and trials here, for you have made it home at last. Now you are in the arms of Jesus, your Lord and Savior.
