“ We had the distinct honor of providing care for Greg these past couple of years. Each caregiver that tended to him just loved him and loved his family just as much. He provided wonderful memories for all of us who came to know and love him. To have known him was to be blessed by him. Go in Peace Greg and walk along those streets of Gold. Know that one day, we will all be reunited and what a wonderful day of rejoicing that will be! You will be missed daily!
