“ To my friends family: Gregg Skipper Seaport Electric was not only my electrical contractor, he was my friend, a few disagreements in the years of doing business, but nothing that we could not work out. He was a man that stood tall and his ground. He always had a heart for the young people always respected his dad of which I loved also. Gregg left many memories to many people that will follow his life many years. He has gone to meet his maker with his deeds of life. I am proud to have called him my friend. God richly bless all of you during these trying times. Robert Shelley Shelley Construction Co. Inc.##imported-begin##robert shelley##imported-end##

“ Psalm 103:13-17 As a father has compassion on his children, so the Lord has compassion on those who fear him; for He knows how we are formed, he remembers that we are dust. As for a man, his days are like grass, he flourishes like a flower of the field; the wind blows over it and it is gone, and its place remembers it no more. But from everlasting to everlasting the Lord's love is with those who fear him, and his righteousness with their children's children-with those who keep his covenant and remember to obey his precepts. I was only blessed to know Gregg during a short period in my life but he was always in my heart. Nothing will change that. He will Forever remain a great man to me.##imported-begin##Cammie Gore##imported-end##

“ We wish to extend our deepest sympathies to the family of "Coach" as we have come to know him. We only met him a short time ago when we opened the cafe next to Waccamaw Grocery. He came in to see us sometimes a couple of times a week to eat and just hang around and talk. When Bert asked him what he was going to do when he retired he said "I'm gonna come down here get something to eat and sit here and worry you." Bert was looking forward to that. We pray God's blessings and comfort will surround you all as we all feel the loss of a person who had an impact on all who met him. “ Matt and Brian, I wish I could say "I know how you feel" but I can't because I was lucky enough to have my father live to be ninety-two. However, I do know that you had a good father. You know that he loved both of you. Even though he is no longer with you physically, he will always be with you in spirit. Continue to live your lives in a way that would make him proud of you. You're both in my thoughts and prayers, May God bless you. J Cantey###imported-begin###J Cantey###imported-end###

“ Greg, You were one of my favorite childhood play mates. I loved you so much and I know you loved me. You always showed it with that big bear hug everytime I threatened to beat you up. Ha! You are an overcomer and a true champion. As a "Conway Tiger" I had a hard time giving up the liberty bell, but if it had to go I smile to know you got to be a part of the team to earn it. God had a plan for you to touch many lives and you carried His plan out well. I'm proud to call you "cuz". I will miss you. “ I had the pleasure of meeting Gregg about three and a half years ago. Gregg was adored by his friends and their loss is devastating. To his family, his many friends and all of those to whom he was "Coach Skipper", my heart goes out to you all.
