“ *J. F. and Racheal, you have been Angels sent from heaven. The two of you have handled more than most people would have and I admire you so much for what you have done for all the boys. The two of you are so special and I love you very much. May God wrap his loving arms around you and comfort you in your time of sorrow. Praying for you and your wonderful family. Gus was so loving and we loved to work with him when we were all young, we had so much fun.*
