“ I'll continue to remember Mr. Guy's fierce loyalty and zeal regarding Carolina Basketball and always making time to talk. There's no doubt he was already sorely missed as serving as one of the "anchor" shops downtown Loris. He played an important role in the early stages of our relationship when helping select the perfect engagement ring and wedding band for my wife. I know he sincerely enjoyed providing a service for all during special occasions whether it be marriages, anniverseries, birthdays, etc. Our thoughts and prayers go out to Mrs. Jenny, Betsy, and the entire family. “ Jenny and Betsy, I am broken hearted for you. I know how close you three were, and I know the pain you are feeling. Nothing will make it better than prayers and time. I don't know how many years y'all were Mom's next door neighbor, but I thank you for every act of kindness you showed her and there were many. Guy was always so humble and kind. You will never stop missing him, but through time and prayers, and patience, your memories will become more happy than sad. God bless you. You will be in my prayers. Jeanne Cameron Ray

“ When the jewelry store was open, i always got a kick out of stopping in and shooting the breeze with Guy. We would always end up talking about the Tar Heels, Dolly Parton and his family. He was a class act. My thoughts and prayers are with his family.

“ Betsy, Robert, and family...my heart aches for each of you as you face the coming days. Having gone through a similar loss recently, I KNOW how tough it is, although we celebrate Mr. Guy being in Heaven and whole again. He sounds so wonderful! Wish I'd met him! If he's anything like his precious daughter, I KNOW he was special! Blessings and prayers for all!

We are keeping you all in our thoughts and prayers. Mr. Guy was a wonderful man and we were blessed to have known him. He will live on through all of you and your precious memories of your times together. He was so well respected in the Loris community and anywhere he went. His special smile was one in a million. He and I shared a special "Disney" bond and I will never look at anything Disney without thinking of him. Love you all and may God bless you.*

*Jenny and Betsy, I am so sorry for your loss. When I moved in 1988, your lovely family was among the many memories I took with me. Praying that precious memories, support of family and friends and your love for Jesus Christ will eventually replace the grief you are going through.*
