*So sorry for your loss. I was thinking of my friends from Sparta, NJ, and thought of you. I lived across the street and had so much fun with Katherine. I remember your mom and the whole family so fondly. My father always called me Josh, but you probably knew me as Jennifer. I remember when your very kind mom picked me up from school one day as I was ill and my mother was on a field trip with my sister. Your mom was so kind as I became ill in the car. I won't go into details..she was a sweet wonderful woman. Miss you all..*

“ *Hi Cath and Family*  
*Although I only met Gwen when she came twice to England to visit with her sister Molly she and I got on very well, I was Molly's cleaning lady then but now I am her carer and had to tell her yesterday that Gwen had died. I have been made to feel like one of the Family by Molly and John, and now you Cath. I will always remember Gwen for the loving and nice person she was. Molly will miss her.*

“ *Dear Dale Family,  
I am sorry for your loss. May you find comfort in your loving memories, and in knowing that God is "near to those that are broken at heart; and those who are crushed in spirit he saves."  
(Psalm 34;18) He has promised to soon "swallow up death forever...and wipe the tears from all faces." (Isaiah 25;8) With deepest sympathy,*

My thoughts and prayers are with you all.  
Mrs. Dale was a lovely woman who I remember as always smiling. Now is the time to remember all the laughter and love she gave to those around her and to cherish those memories.
