“ *I hold your hand and watch as the sun slowly fades
Far in the distance the Father is calling your name
And it's time for you to go home
And everything in me wants to hold on
But I'm letting you go with this goodbye kiss and this promise*

*I'll see you in a little while
I'll see you in a little while
It won't be too long now
We'll see it on the other side
The wait was only the blink of an eye
So I'm not gonna say goodbye
'Cause I'll see you in a little while*

*And just one more thing before I let you go
Please tell my little girl I love her
Though I'm sure she already knows
And ask the Father to please tell the Son
That we're ready and waiting for Him to come*

*I'll see you in a little while
I'll see you in a little while
It won't be too long now
We'll see it on the other side
The wait was only the blink of an eye
So I'm not gonna say goodbye
'Cause I'll see you in a little while*

*Maybe you'll teach me all the songs they sing in heaven
Maybe you'll show me how you can fly
And I'll hear you laugh again
And we won't remember when
We were not together and this time it's forever*

*I'll see you in a little while
I'll see you in a little while*

*It won't be too long now
We'll see it on the other side
The wait was only the blink of an eye
So I'm not gonna say goodbye
'Cause I'll see you in a little while
I'm gonna see you in a little while

“ Cindy, Taylor and Family, No words could ever express the sorrow I know all of you are feeling with the loss of such a precious little girl! Just know that she is resting in the arms of Jesus now and has no sickness and no tubes and is flying high with the angels. She is looking down on all of you with love.

Taylor, you have been through more in your short life than most adults and have gained more wisdom and maturity than beyond your years. Hadleigh was given to you for a reason and that little girl lived a life full of love.

God will truly bless you! ((Hugs))

“ *Miss Hadleigh was a very special little girl. She was loved by so many. She was prayed for daily by people that didn't even know her personally. Her mother Taylor was an amazing mom to her. Gigi always was there too & loved her more than anything. God truly gained a precious angel! I know Hadleigh is in heaven looking over everyone that has been in her life or touched her. I'm thinking & praying for y'all. Love y'all too! Rest in peace little angel!!!*

“ *Sweet beautiful baby girl may you rest in eternal peace. Hadleigh Grace you were loved by some many, and you touched the heart of everyone who meet you. Fly with the angels baby girl and know you will be forever missed.*

Taylor and Tony may God give you the strength to get through this. You two were amazing parents and gave hadleigh love and the best life any little girl could ask for . Cindy (GiGi) you gave hadleigh enough love for a life time. May God lift your family up during this time and always remember you have a little angel who will always be looking down from heaven
