What a beautiful Angel God has called home. She is in no pain, no worries. A beautiful soul has been left in spirit to be with you all. I tell myself everyday life is like a highway, some of us come to a stop sign, and others go to a yield. Some move on. Others are bless to be with God. I am so sorry your baby was takin so soon. May God give you comfort at this time. Beautiful memorial. You did a great job with that. May God bless in this time of need. Much Love. Rentha

“ Dearly missing you my friend. ❤️ you took me out of one of my darkest moments in life. I will forever cherish you and how you choose to stand in the place of a bestfriend when I needed one. You'll always be in my heart and part of my life. I'll forever keep you alive ❤️ .

“ Not a day goes by that I don't think of Hailey. She meant a lot to me. She was my best friend at one point and she got me through a lot at a really young age. I remember everything she did for me, all the time. Even now that she's passed, her memories keep me going; I do a lot Bc I know she isn't able to. I went to prom Bc she never had the opportunity, I walked at graduation Bc i always imagined her at my graduation and me being at hers. Her spirit and the person she was pushes me to be a better person. I miss you Hailey, thanks for being my first female kiss all those years ago, made me understand some things. Kisses bb, rest easy ❤️

“ To my precious
angelic granddaughter

An original poem from my own deepest sorrow.]

*So much to say,
but now ran out of time.
With no rhyme or reason,
now there's no more sharing seasons.
Such a joy with you just being you, now such sadness without you.
Time waits for no one,
but your clock broke along with my heart.
Time now is just for remembering, but the love you gave never
stops. Nothing is promised in tomorrow, but memories & visions of
you.
Nothing can steal those except time itself, but then I'll simply be with
you again.*

I miss you, I love you, till then my pretious angelic granddaughter.

“ *"I'll lend you for a while a child of mine," He said.
"For you to love the while she lives and mourn for when she's dead.
It may be six or seven years, or twenty-two or three,
But will you, till I call her back, take care of her for me?
She'll bring her charms to gladden you, and shall her stay be brief,
You'll have her lovely memories as solace for your grief."
"I cannot promise she will stay; since all from earth return,
But there are lessons taught down there I want this child to learn.
I've looked the wide world over in My search for teachers true
And from the throngs that crowd life's lanes I have selected you.
Now will you give her all your love, not think the labor vain,
Nor hate Me when I come to call to take her back again?"
"I fancied that I heard them say, "Dear Lord, Thy will be done!
For all the joy Thy child shall bring, the risk of grief we'll run.
We'll shelter her with tenderness, we'll love her while we may,
And for the happiness we've known, forever grateful stay;
But should the angels call for her much sooner than we've planned,
We'll brave the bitter grief that comes and try to understand!"*

“ I didn't really know Hailey that well but the few times I met her she always was so much fun to be around. She was very vivacious and definitely will always be remembered for her amazing personality. I feel like she was put on this Earth to fulfill a purpose that impacted the world and that's exactly what she did. The remembrance of her beautiful spirit will always be cherished in our hearts.
