“ I knew him as Bear. He was crazy and wild, and I think of him almost every week. I've never forgotten the morning he was hurt. I remember being in the childcare place at MBAFB when our mothers would go partying; him yanking the eyes of my favorite bear off when we were about 4. Know you are missed, Bear.##imported-begin##Benji Smith##imported-end##

“ To the family of Van Myers, I offer my deepest sympathies for your loss. I am sure that Van will be no longer suffering from the terrible health problems that he suffered from the past years. I cared for Van as a home care nurse and was always impressed by his optimistic attitude and I told him so and Thanked him for teaching me about life. I will never forget the day I was departing his home and he said to me "be careful". I will pray for him and also for your family. Sincerely Ms. Grace##imported-begin##Grace##imported-end##
