“ Oh my. I was thinking about Harley over the Christmas holidays and wondered why I wasn't seeing him. Have not seen him in over a year. I went by his house this month and the neighbors shared he passed away... my deepest sympathy. He was a great person.

“ So sorry to hear about the passing of Harley Jr. I remember him coming to our house on Sunday afternoon. Well dressed with his blinding-red hair combed to one side, freckles, dress pants, penny loafers & that button down dress shirt with stripes. He had his new Shelby GT mustang and he loved to hear it purrr. I will cherish our family memories forever. Love to his sisters 💕💕
