“ Truly sorry for your loss and now being able to be with you. It is hard to lose someone you love, but when you do know someone's time with us is short, you are given the opportunity to make the most of every day together. Lean on these memories in the days to come and rejoice in the time you shared. Uncle Harl will be looking down and watching over you.##imported-begin##Lois T. Miller##imported-end##

“ Aunt Kathleen and family, Uncle Harl will be greatly missed. He was truly loved and fun to be around. He was always joking and cutting up with everyone. I will always remember his laugh and his smile. Just remember he will always be with you no matter where you are and you can talk to him, just know that he is still there for you no matter what, just in a different way. Christy, Micky, Johnny and Steven: I know how you feel, I remember when daddy passed, Tommy Woodbury, it is not easy. However, knowing he is with me today helps through it all. Just also know that God is with you and will give you the strength to get through this. I am so sorry I am not able to be there with you, but I am only a call or email away. Love you All and miss you very much.....##imported-begin##Cheryl Woodbury Plowden##imported-end##
