“ *We are truly sorry for this great loss of humankind. Uncle Harold was a wonderful, vibrant and hilariously funny man. My funniest memory of him was when he stopped by our house on his way home and brought my friend and I to West Farms Mall. We figured he would drive us to the mall entrance but noooo that was not in the schedule. Uncle Harold pulled the big rig over on the side of the highway and advised us to jump down the embankment. I thought he was joking but we jumped down the hill and walked across the 3 lanes to get to the mall. It was pretty funny at the time and I still chuckle when I think of it. I always had a good time when he was around. Uncle Harold would always make you laugh even when you were not in the mood. You will be truly missed but I thank you for the memories.##imported-begin##Lygia & Ariel and Brandon Pagan##imported-end##*
