“ Aunt Bea, I am so grateful you and Uncle Jack gave me such wonderful memories while growing up in Toledo. You were both generous and gracious hosts. You made it possible for the Anderson relatives to gather together on Christmas eve to stink up your home with lutefisk. The both of you also gave my family some great memories while vacationing at your Myrtle Beach home, once again being the most gracious hosts. Aunt Bea and Bob, you are in our thoughts and prayers during this time of sorrow.
