“ Mrs. Tebelman & Family, This is somewhat late, but I just heard of Harry's passing today and want to extend my condolences. I, too, worked with Harry for several years at Midland. I respected him for his vast knowledge of our business and admired him for his ability to smile each and every day, no matter how busy things got. He was a great person, and I know he is deeply missed by his family and friends. I'm so sorry for your loss.##imported-begin##Lori Crable##imported-end##

“ I can not count the number of great memories I had with Harry. When you talk about his love of computers, that alone starts at least 10 terrific stories. Harry was a great friend, mentor and boss. My biggest regret is not being able to spend more time with him after he retired. Mike Bowen##imported-begin##Mike Bowen##imported-end##
