“ *Myrtle Beachboy. “Life should NOT be a journey to the grave with the intention of arriving safely in an attractive and well preserved body, but rather to skid in sideways, pipe in one hand, champagne in the other, body thoroughly used up, totally worn out and screaming “WOO HOO what a ride!”*”

“ Jimmy, you took us yung'uns by the wing and showed us the ropes of being teenagers in Flo-town. Many good times and happy-go-lucky thoughts for you and your continuing journey my brother. You will be missed and your memories will be cherished. Thank you for being there for us as young dudes. My love is sent to your family , bro.
