“ Susan & Jordan our prayers and hearts goes out to you in your time of grief. Ol Harlo was the happiest man I knew and sure knew how to keep you smiling and you never knew what was next with him. I'm smiling as I reflect on so many memories from our days at Fatbacks to many miles together writing estimates. I will truly miss him but heaven has received a bright light with a huge heart and even bigger smile. RIP my friend untill we meet again. I love you brother. James & Wendy Sanders

“ To Susan, Jordan and the Fleming family, please accept my condolences. Harold was my brother, Steve's best bud and dear friend of the Cox family. He and Steve were a great "good buddy match", as they were both fun loving jokesters! I can just see them both together now laughing and caring on. We truly loved his humor and kind spirit. Harold was the no. 1 person that knew how to lift your mood, always! Yes, he will be missed by us all. Sincerely, Rhonda Cox.

I am so sorry that it's been so long I wish we were where we could see our friends from childhood more frequently. But I know that you are in gods hands now and I will see you soon I pray. I pray your family will know that you were loved throughout life and you were always there for everybody doing anything you could. Please go rest high on that Mountain and look for me down by Jordan River I'm coming soon. My prayers go out to your family and to all your precious children. “ Harold was my best friend for 63 years. We were in the same grade together. We named our first born child the same name, and stayed in touch by phone these many years. His birthdate was 3 days before mine, so we always had a reason to celebrate. We were roommates and running buddies. We disagreed but never came to blows, Harold was always good for a great laugh. He spent lots of time with my whole family as we were growing up, Loved my mom, and her cooking especially Sunday dinners. I will Miss him but plan on seeing Yogi again in the Great Bye and Bye.....
