“ There are so many memories he was the big brother. Oh, the first grade I was so afraid my Dad asked him to watch out for me. Well it was cool till I followed him into the boys bathroom. The fun and innocence of growing older with your person. My brother and friend.

“ There are too many memories to select just one, but if I had to, I would probably pick the wild ride down Cid Road when Harrell, Steve, and I were Harrell's Mustang trying to follow Benny on his motorcycle through the curves. Needless to say, we did not make it and destroyed Harrell's car. Benny, you will remember this I know. I miss you all and hurt with you and for you at your brother's passing. Love you.
