“ Mrs. Duncan was the most loving caring woman I have ever met. Over the years she treated my family and I like part of her own family. I will never forget the lovign support she showed me after my mother death. Growing up with Billy I had to extreme pleasure of sharing a lot of afternoons snacks with her and her family. The way Mrs. Duncan lived for and loved her family, friends and the community made her a true role model for all of us to follow. She was a true southren lady and someone you could point to for your daughters to learn from. The whole Duncan family will be in my prays. God has another angel with golden wings in his house tonight.##imported-begin##Robbie Maxwell##imported-end##
