“ We are heartbroken to hear of the passing of Harriette Brunson Duncan. She had been a treasured friend since I was an 18 year-old freshman at Clemson welcomed by a friendly dorm mate called Happy. Over the past fifty years, we remained friends and shared a lot of memories. She was my third longest friend and miss the good times at CREEK RATZ.

“ To all of Happy's family, my deepest sympathies for your loss of your beloved Happy. I first knew of her, from my brother, David's references, as they were classmates. When I went to CHS as a freshman, and met Happy, I could understand why she had the name Happy! She was always smiling and pleasant, and was so easily approachable. I hope all your wonderful memories of Happy will give you great comfort, especially at this time of great sadness and loss. We became facebook friends some years ago, and it was so obvious how much she treasured her relationships with her family and those precious nieces and nephews.

“ If there was ever a person whose name reflected their personality, it was Happy Duncan. In all the years that I knew her, not once did we shake hands or just give a simple greeting, she always greeted me with a big hug and a huge smile. She was truly a people person. Heaven will be a lot brighter. All of her family are in my prayers.

Happy and I were classmates from 2nd grade through 12th. We were also in the Girl Scouts together, Troop 166. I have so many happy memories of Happy through the years. Heaven surely has gained an Angel.

Unfortunately, I never met Happy but learned of her health challenges through our mutual cousin, Bill Brunson. Bill spoke so lovingly of her and Phil's commitment to each other. Together they were very generous with the time and support of Bill. I especially enjoyed hearing of the progress of the restoration of the old Brunson plantation home. Happy conveyed caring and smiles. Please accept my sympathy, Phil, and family.

Phil and the Duncan family, My deepest condolences to all of you. I got to know Happy when I lived at the beach for 12 years. I was her knitting teacher. She was a terrific knitter and dress smocker! She had such a kind heart and was always so cheerful. I can still hear her Southern accent. Happy touched many lives as a teacher and guidance counselor. I am sure Phil took wonderful care of her during her illness. You are all in my thoughts and prayers! Terri Kelly
