

Harriette Cooper "Cookie" Scoggin Stogner

June 5, 1921 - March 29, 2017

Mrs. Harriette Cooper "Cookie" Scoggin Stogner, 95, widow of the late Hasel Otis "Tab" Stogner, Jr. passed away Wednesday, March 29, 2017 at Conway Medical Center. Born June 5, 1921 in Conway, Mrs. Stogner was the daughter of the late Ingram Thomas Scoggin and the late Edna Earle Spivey Scoggin. She was a retired teacher with Horry County Schools. Mrs. Stogner was predeceased by a sister, Patsy Scoggin Watson and a grandson, William Albert Chapman Jr.

Cookie, as all called her, was a very loved and admired woman by those who knew her. She never met a stranger, was always making new friends and following up each year with her special Christmas card to her old and new friends. She never missed a friend's birthday and always sent a birthday card. Everyone enjoyed listening to her tales of Horry County history, of which she was well versed.

Mom, Cookie, Gamma, Harriette Cooper, whatever you chose to call her, was a friend to many. Her exuberant spirit, love of life and love of people were her special gift to so many. Meeting new people, studying ancestry and just being there for her friends and family are what mattered to her.

Cookie was president of her senior classes both at Conway High School (class of 1938) and Queens College (class of 1942). She was a member of

Kappa Delta Chapter at Queens College and was instrumental in organizing the Kappa Delta Chapter at USC. She was a member of the Peter Horry DAR, the Colonial Dames, First Families of SC and the French Huguenot Society. She taught in the Conway Schools and many of her former students still speak about their classroom days with great memories and stories.

She is survived by her daughter Susan Chapman (Bill); three grandchildren, Cooper Chapman, Clif Chapman (Brandy) and Tab Chapman (Michelle); four great grandchildren; one niece; and three nephews.

Visitation will be held at Grace PCA Church from 2:30PM to 4:30PM on Saturday, April 1, 2017. Cookie and Tab were instrumental in establishing this special church by donating the land and other church items. A private burial will be held for the family.

In lieu of flowers donations can be made to St Jude's Hospital, 262 Danny Thomas Place, Memphis, TN 38105; Mercy Care of Lower Cape Fear Hospice, 8216 Devon Ct., Myrtle Beach, SC 29572; or Grace PCA Church, PO Box 2009 Conway, SC 29528.

“ *Cookie (and Tab) became very good friends of my family in the 70's. We shared many good times and laughs. When my Mom passed away last year, Cookie asked if she could be my surrogate mother/grandmother. I was honored to have her in that role for me. I will miss her notes and letters.*

“ She was "Mrs. Stogner" when she was my teacher. In later years she became Cookie but I was always "Johnny Pat" to her which I loved. Her favorite story about me that she loved to tell was what she told my mother: "Now Bessie don't worry about Johnny Pat, he'll make something of himself". She's probably telling Bessie right now "I told you so. All that worry for nothing ". She loved me and I loved her for all these years. She was a Conway icon; one of the great ladies of Conway. She will always be loved and missed forever.

Mrs. Stogner was indeed a lovely lady! I last spoke with her on her 90th Birthday! We spent most of that time laughing and remembering old times. She will be remembered by all of us who were fortunate enough to know her! Thinking of you Susan and your family. She was very proud of all of you! Vickie S. Byrd

I had Mrs. Stoner for 8th grade English. She was encouraging us one day to take Latin in the 9th grade. She made the statement "Latin is not a dead language" and all of a sudden I said, "Yes it is". (and I have never figured out why I said that, I wasn't a smart mouth). She said "Who said that?" I admitted it was me and she wanted to see me after class. I was so scared! I went up to her desk and apologized for making that statement. She was so nice to me, she explained how we get so many words from Latin, etc. needless to say, I Signed up for Latin in the 9th grade. This incident has come to my mind hundreds of times since then, I valued her as a wonderful teacher and a super nice person. Thank you Mrs. Stogner!

Mrs Stogner was one of my favorite teachers and later a good friend. I was in her Latin class in the 9th grade, which Was very useful in later life. She also taught me Commercial Law. I will always remember her fondly.

Susan, I was so sorry to see that your Mother had passed. I've been thinking about all the good times that we had with and without your parents in our youth. Your Mother and her traveling crew and I would sometimes see each other in the Charlotte Airport over the years. It was always a great pleasure spending time with them awaiting our flight departure.

I hope you, Bill and family are well. Thoughts and prayers go out to all your Family.
