“ I met Harriett through the Louisville, Civil War Round Table about 30 years ago. She was an officer and long time member. I was fond of her and respectful of her service to that organization. She will be missed.

“ I first met Harriette in the late summer of 1975 when I transferred to Slaughtert Elementary and we have been steadfast friends and confidants since. Gee, hard to believe that is 50 years. We have enjoyed many monthly lunches and dinners since then both just the two of us or gatherings with fellow teachers. Since she moved to SC to live with her beloved son and daughter in law, we have still stayed in touch by daily text messages. Right up to the day just a bit over a week ago when she said she would keep it short since she didn't feel well that day. Oh, how quickly our lives can changed. She was great gal who could take my humor and keep a secret. Fly high, dear friend. You have earned your wings. I shall dearly miss you. ☐✝️🍷😭💔🙏

“ I have had the honor of caring for Harriette over the past few years. She will be missed everyday! I know she's in heaven looking for the bakery and complaining that they aren't like Cathy's cookies!

Harriette was a member of the Louisville Civil War Round Table for over 35 years and also a member of the Madison Indiana Round Table. She served on the Board of Directors for much of that time and was Treasurer for a number of years. She rarely missed a meeting and also went on several field trips. She was a wonderful person and was loved by all. We all will miss her very much. We love you Harriette!
