“ Cindy and Bill, I am so sorry to hear of your father's passing. I often recall the days when he, John and Joyce bowled together. It seems like just yesterday. As much fun as John had bowling with Harry, he also admired him like he was his own father. Your dad had that calming affect on him, but tons of fun at the same time. Now, I'm sure they are all at some bowling alley up there doing it all again! My thoughts and prayers are with you during this difficult time.##imported-begin##Donna Kenney##imported-end##
