“ I was so sorry to hear about the death of Harry. I don't know why but I thought with his attitude and love for his family he would live forever. It was so much fun back in the day when I was bartending at S and W and you guys would come in and sit and talk and Harry would usually tell me what I was doing wrong but I knew he loved me. I can remember when you use to come in and bring little George who is now probably in his 30's with you. I know in his lifetime he made alot of friends and I for one will never forget him. “ Correen and Family, It is never easy to say good bye to a love one, and no words can comfort you at this time. So please know that others are thinking of you at this time of sorry; standing beside you to lend a hand; standing behind you incase you fall; praying for you to ease the pain. May you find joy and comfort in the memories you have of your father, husand, son and brother. God Bless.
