“ My dear friends Carl, Marty, and Ty, I am so sorry for your loss. I know how much you all loved Your Dad & Grampy. My fondest memories of Jim are of him getting so excited about cooking (will miss that special ketchup) for everyone and him always wanting people to be comfortable. I remember going to his house in Myrtle and him never letting you lift a finger to help. He'd be cooking, making drinks, cleaning and all the while loving everyone being there. I also love to hear Marty tell of the wonderful conversations she had with Jim. She loved hearing all his memories and am sure they will be remembered and passed on through the years.

“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

I will always remember him out on your lawn tractor mowing your yard for you when he visited! Our prayers are with you during this difficult time. The Danz Family
