“ I am so sorry Dianne. I feel the lost too. Harry was like a father to my sister, brother and I. I feel safe to say that we all loved him like a family. The Trull family will miss him a lot. He was one of my dads bestest friends. Harry may you Rest In Peace. He loved to tell stories of all kinds. That I have missed over the years. I may have moved from the beach but everytime I talked to my dad on the phone I asked my dad hows Harry because I know my dad talked to him almost daily.Dad would tell me "Well he's doing as well as he could." Dianne I am can't come on Saturday,i am working all day, but know that you and family will be in my thoughts and prayers. Love ya

“ *I am sorry to hear about the loss of your dear loved one. Please accept my condolences at this painful time. Losing a loved one is distressing and as comfort is needed from family and friends, it is my hope your family will find comforting the promise at Isaiah 25:8 where we are assured that "death will be swallowed up forever." It is my hope your family will find strength to endure during the days ahead.*

“ I will sure miss Harry "Sonny" Porter. I never got to physically meet him but talked with him and facebooked him a lot. I was married to his son Terry and gave Mr. Harry four beautiful grandsons and they gave him four greatgrand children. Two boy and two girls. Our prayers go out to his wife and family. I will sure miss our Facebook exchanges. God bless him and his grandson Rance Porter I am sure was there waiting for him as he crossed over.
