“ Harry and I were the best of friends for many years and his wonderful family was like a second family to me. I knew them all very well--Doc Morrow, Aunt Ethel, Martha, Eloise, Candy and, of course, Harry--who was like a brother to me.

I also knew Fran--who introduced me to my wife, Georgia. I knew Martha's second husband, Arnold Tolles, who was a professor of economics at Cornell University. My daughter went to Cornell University and lived in a dorm room not far from Arnold's home in Ithaca.

If I can ever provide any information or answer any questions about the entire Tolles family please feel free to contact me at jerrychagala@cox.net. If you prefer talking on the phone I will be glad to do so if we make the arrangement in advance. Unless I recognize your name I will not answer. (858) 679-2221. I live in San Diego, so there will be a time differential for most of you. I can assure you that I know more about the Tolles family than any living person.

This offer is also good for the family of Eloise--who was like a sister to me.

“ Uncle Harry always made each and everyone of feel special! It
didn't matter to him that his Sister and Nieces were 3000 miles
away. He always made the time to include us in everything. I will
never forget Grandma Martha's 80th birthday party, all of us grand
kids had to pretend we were staying home while the "adults" went to
dinner! uncle Harry made sure we all made it to her party. He was
such a giving man. He will be missed. Love you all!
