“ I just learned of Harry and Terry's passing. My parents were good friends of the Vicks growing up. I remember Terry and Harry when they first started dating. She was beautiful and he adored her. I hope this family finds peace. Sometimes we just don't understand but know that your father loved your mother from the first time he met her.

“ Harry, We want to thank you for your friendship and the times we got to have together with you and Terry. The fishing trips, and the nights we enjoyed sharing at your home. We will miss you and you will forever be etched in our hearts. We are praying that Mindy and Miranda continue to develop into the fine people that you taught them to be. Our prayers and tears are with them now.
