“ Wayne was one of the first painters we hired when we opened up Strand Fender Mender on the 17 bypass. He was young and just starting out, wanted to learn and be the best auto collision painter he could be and that he did. He was more than an employee he was our friend. A wonder man and loved his family, that meant more to him than anything. He will be missed by those of us that knew him and could call him friend. Rest in peace Wayne. Our thoughts and prayers are with his family always. Love you Wayne. Marty and Darlene Thomsen.

“ Growing up Wayne was such a nice guy . He had a wonderful smile . He was quiet if you didn't know him well but Lord he could be so funny . I'm glad through all our school years I could call him my friend. Prayers for his family during this difficult time. My heart hurts knowing we lost another class mate who was way too young . No more pain and suffering for you Wayne .
