“ Anne,
I am really sorry for your loss. I have so many fond memories of Hayden and You. My girls and I saw him often when he was at Kingston. He was super loving and sweet. We played games and laughed a lot. I know you'll miss him dearly , but he will be whole now. God love you all. My deepest sympathy for you all .

“ Deepest sympathy to Hayden's family. I will never forget this "Mountain Dew drinking", one finger kissing, and laughing young man. I met Hayden at Kingston Nursing Ctr/Pruitt 10 years ago and he was my buddy. Love you :) Rest easy Hayden you are at peace now.
