“ So sorry to hear about the death of your mother she was a real good person always laughing and smiling with everyone so sorry I did not get to go by and see her. I am sure she is up there in Heaven with Billie having a great time.

“ I will miss my girl, we pondered life, food, health, ect... she would say “hey sugar “ when I walked in and see you tomorrow when I was leaving. She loved life itself but now she is with the love of her life. Rest in peace my dear lady!!!
