“ During a time in my life when I was as self-centered as one could be, a college dropout, and confused about how to make my way in this world, Hazel and Frank allowed me to stay in their summer home in Bethany Beach with Frank II. She treated me like a member of the family from the day she met me. Her unconditional love, willingness to respect me when I was lacking in self-respect, and generosity with her home, food, and company, made a deep and lasting impression on me. I can almost taste the sliced watermelon and steamed crabs from here in Cleveland 30+ years later. Thanks for all you did for me, Hazel and Frank. And to the entire Keiser Family, my sincerest condolences.

“ Frank, I am so sorry to hear of Hazel's passing. She was one of my favorites. Such a sweet lady with a personality to match. If I ever needed a good pick me up, I would just sit after my volunteer work and listen to her. I always felt so much better when I left. She loved all her family, but her love for you was always at the front of her mind. Both of you were lucky to have such a wonderful marriage. My love, thoughts and prayers are with you and your family.
