“ I am honored to have known Hazel and her family for almost 40 years. She performed well her appointed task of wife, mother, business person and friend to many. God, grant her a well-earned rest in peace, and give faithful comfort to Tippy and all who so loved her.

“ To Mike: I can't think of anything to say...My mom and dad did a lot of business with your dad, until Surfside went sewer. I knew your father, but I didn't really know your mom. I truly wish all the best to you and your wife.

“ I have many fond memories of Hazel. I first met her when I was about 14 years old. I watched her family grow up over the next 50 plus years. I never in all that time hear one unkind thing about Hazel or Tippy. They were the ideal couple. A match made in Heaven. She was one of the most devoted wives, mother, grandmother, daughter, sisters, and friends I have ever know.

Tippy, Jack and I are so sorry but we know that you and the family will be are right because of the person Hazel was. She set a good example for all of you and taught you well how to face life as you go on without her. Rest assured that you can be with her again. Meanwhile she is in good company waiting for all of you.
Love you,
