“ Mrs. Milligan was the best teacher. I can still remember being in her class learning multiplication. I used her method to teach my son.

“ I had the pleasure of substituting for Miss Milligan when she was absent from Midland School. She was a very outstanding teacher as her former students can attest, too! She played a great role in my daughter’s education at Midland, She gave Amber the background for her to get her associate degree and four year degree from college. Midland School list one of it’s finest Teacher’s Friday! my heart is heavy tonight. Sandie
