“ I knew Helen from my time working with Gene after he broke his hip and just prior to their move. I met their daughters as they were in to pack and help them prepare for the move to the beach. I was so sorry to hear of your loss. Gene, I have thought of the two of you often and hoped you were doing well and happy there with your girls. In my memory the two of you were such a sweet couple and so very kind to me. My heart goes out to you girls also as I know what it is to lose your mother. Love and prayers to you all.
