“ I am so sorry for your loss. Eileen was a special person. She always had a smile. So many customers enjoyed conversations with her as they shopped. She had so much compassion for the elderly. She will be greatly missed by so many. We were not only associates at work we were good friends and I will miss that. May you girls find comfort in all those special memories you made through the years. God bless you.

“ Viv, I am so sorry for your loss. My father went home to be with the Lord on the 11th of this month, so I understand the pain you are feeling. May all the great memories you have of your mother give you comfort in the days to come.

Please accept my condolences to your whole family. I worked with "Eileen" at Hallmark and we became fast friends. We enjoyed having lunch together. I will miss our visits. She is at peace now in Gods loving embrace.
