“ *To Sherri and all the family and loved ones, our sincerest sympathies. Sherri, one needs only to know you and how you spoke of your mother to get a sense of what a wonderful and loving person she was. We are all blessed by her life as she will live in you, your children, and grandchildren. May God welcome her into His loving arms and give her joy and peace until such time you may meet again. Prayers are being said for patience, strength, comfort and peace to you and all.*
With our love, Jeff and Tracey
