Tribute Wall

“ *The Lacey family: We are saddened by the loss of such a wonderful person. We know that we need not tell you how special she was. She was one of those people who always seemed to understand. We shared many laughs and many tears with her. She did way too many kind things to mention, but one of the most meaningful was the time she gave to our daughter, Ginny. Ginny missed many months of school and with your mother's special tutoring she went right back as if she never missed a day. For the past three years I have thought of your mother each day as I pass her corner, and will say a prayer each time I pass in the future.##imported-begin##Sedlack family##imported-end##*

“ *I just want to express my condolences that Ms. Lacy has passed away. She was my 7th grade teacher in 1984-85 at St. Andrews. Just so you know, Ms. Lacy was the first person who introduced me to the Peace Corps. I remember her talking to our class about it and at that moment at around age 12 or 13, I decided that I was going to become a Peace Corps volunteer one day. At age 29, I joined after finishing my Masters degree in International Public Health and I served for 2.5 years in Burkina Faso, West Africa. I am in the process right now of applying for a job with Peace Corps to provide training and technical assistance services to health program staff worldwide in many of the countries where volunteers serve. So that discussion changed the course of my life and Ms. Lacy is to be thanked for opening my eyes to one of the best experiences of my life. And one of the best organizations our country has ever produced. May Ms. Lacy rest in peace--I am sure she has influenced many others' lives too. “ Dear Lacey Family, Please accept my deepest sympathies. I had the privlidge of providing communion to Helen @ Country Meadows for the last couple of years. She was a great woman and I enjoyed talking to her about Myrtle Beach. Also, I never met Corinne, but she loved little Max. She was always talking about him and showing me pictures. I ask that God receive her into his kingdom and to comfort you, her family. Gods Choicest Blessings. Sincerly, Mark A. Totaro##imported-begin##Mark A. Totaro##imported-end##

“ Dear Sean, Brian, Kevin, Neil, and Corinne, Please accept my sincere sympathy. Your Mother was a wonderful person. I feel blessed for having been able to spend time with her. We would share many after dinner conversations about life, during our time together in Drexel Hill. Everytime I look at my degree in my office at the Postal Service - I think of your parents and I am truly grateful for their wisdom, humor, and encouragement. They are together again, being proud parents and celebrating their wonderful family they created. May your memories bring you comfort at this difficult time. You are all in my thoughts and prayers. Most Sincerely, Lynn Leneweaver-Forness##imported-begin##Lynn Forness##imported-end##

“ Grandma Helen was like a second mother to me. Corinne became my sister, so all the brothers became my adopted brothers. I am honored to be a part of this special, loving family. There is a new angel watching over us from above. The brightest star in the sky is the one that was there when she got her ANGEL wings. May the memories, love, and laughter shared always be a comfort in your hearts. She was a wonderful lady, mother, friend, and person. I am so lucky that she touched my life.##imported-begin##Dierdre Poole##imported-end##

“ To my dear friend Corinne, I wish you peace from within while you deal with Moms passing. Find comfort in knowing she is in a beautiful place. Being a motherless daughter myself, I feel your great pain, and know it is a pain that is not soon consoled. Her spirit is alive in Max, each time you look at him, know her love for both of you also lives on. What a beautiful testament to Mom, to have been able to call you her daughter. I feel I'm a better mother for being able to say I learned from her. All Gods blessings, and all our love, Tawney, Douglas, Nicholas and Christianna xoxo###imported-begin##Tawney##imported-end##
