“ I have so many fond memories of my Aunt Helen. Although she is no longer physically with us, I believe that she will reside in the hearts and minds of those who loved her forever. She was a wonderful lady and a joy to be around. She had a fantastic sense of humor and a giant heart. I will always remember her welcoming spirit at family gatherings. Aunt Helen was a hugger and a kisser. Whether you were family or a newcomer, you were guaranteed a giant hug and kiss from Helen. Helen was also known for greeting people with a resounding "Howdy!" when she saw them. On Thursay morning when I learned that she had passed away, I was saddened, but then when I thought of her arriving in Heaven and greeting those who went before her, and likely God, with a boisterous "Howdy," I couldn't help but smile. It was comforting to know that my Aunt Helen had finally gotten her wish and that she was going home to be with God and her family. To my cousin Cheryl and her family: You all are in my thoughts and prayers. I pray that God grants you comfort and peace during this most difficult time. Much love and God's blessings to you all.###imported-begin###Dawn Stratton Delcoma###imported-end##

“ Aletter from your sister: Dear Sis, God has wrapped his arms around you and took you to heaven. I know that's where you wanted to go for so long and God granted your wish. I'll always remember the good times we had growing up with Mom & Dad, and how we enjoyed each other in Ohio, going out to eat and shopping. I'll miss our calls. When I think of something I need to tell you, I'll just call Heaven. Helen, a hymn comes to my mind "When we all get to Heaven, what a day of rejoicing that will be" When we all see Jesus, we will sing and shout the victory" Say hello to Mom & Dad for me, and I'll rejoyce when I can see my sisters & brothers. All My LOve & Gods Blessings, Sister Addie##imported-begin##JStratton/Addie Grochowski##imported-end##
