# Tribute Wall

“ I loved Helen as I loved my mom. Not a day passed when I did not think of her. My heart is heavy. Though the winds of Autumn may destroy the loveliness of their existence, yet the destruction is not final, and in the springtime, they shall surely bloom again. So, in the bright morning of the resurrection, thy spirit shall spring into newness of life and expand in immortal beauty, in realms beyond the skies. Until then, Dear Helen, until then, farewell! So long, Helen.##imported-begin##Kelly Page Frost##imported-end##
