“ Dear Dave and family, I will miss seeing "Perky" and you at NHC. Helen was one of the first residents I met when my mother was admitted to NHC. She was always lovely and smiled and spoke to everyone as she made her rounds of the wings and later when Dave and she got some fresh air in the courtyard. I will remember with love for her kindness to all. It is never a good time to lose a parent and my heart and prayers go out to you at this very difficult time. I know she knew how much she was loved. May she rest in peace and may you know in your heart, you were a good son. Sincerely, Kathleen and Mm Ross.
