“ I've know Linda for about 50 years when she and my mother became close friends during their time working at St. Peters Hospital in NJ. She and Bill were great friends with my parents and were wonderful to my father after my mom died. They were always willing to help my dad as he aged with rides to the VA doctors. She loved her birds, crocheting, and most of all, her family. I know my parents have welcomed her to heaven with open arms and their friendship continues!

“ I was blessed to have Linda as my neighbor for the past 5 years. We became good friends as we shared a love of animals and gardening. I am going to miss all of our afternoon talks over a coffee. She could always tell when something was concerning me; and I knew that she would be praying about it. She was such a sweet, caring person. She will be truly missed. My condolences to her family.
